NEW ORLEANS, March 13 .- The river is nine inches below the high water-mark of 1874. Advices from above confirm the re-port of the break of the False river dyke Saturday. Some damage to plantations in West Baten Rouge may result. The river at Vicksburg yesterday rose eight inches, the flood waters from Yezoo valley having reached that point. Arrangements are being made by the commissioners for the distribution of 160,000 gov.rnment rations. Those for the upper coast will be sent by steamer Tuesday; Wednesday rations for steamer Tuesday; Wednesday rations for Ouschita will be shipped by steamer, and those for Avoyelies parish for Simmeport. The floods along the Chicago, St. Louis and New Orleans ratironal have subsided, the damage repaired and trains will run as usual form and size to morrow.

home department, that she wishes, before she leaves England, to express, from the bottom of her heart, how very deeply she is touched by the outburst of enthusiastic loyalty, affection and devotion which the painful even if the 2d instant called forth from all classes and from all parts of her empire, as well as by the universal sympathy evinced by sov-ereigns and people of other nations. The queen cannot sufficiently express how deeply she is grateful for these demonstrations. She wishes to convey to all, from the highest to the humblest her warment and proto the humblest, her warmest and most heartfelt thanks. The queen says it has ever been her greatest object to do all she can for her subjects; to uphold the honor and glory of her dear country, as well as to promote the prosperity and happiness o will be continued unceasingly to the last hour of her life. The queen thanks God that He spared her beloved child, who is her
